Dear Ed and Tolly,

I am writing to thank you and the staff from the Cirque de Normandy for the fantastic experience that you brought to Beavers Community Primary School this summer.

As you know, many of our pupils had never been to a circus before and you certainly gave them an insight into life as circus performers.

I received many evaluations from staff, parents and pupils attending the school and all of them were extremely positive. In fact for many families this has been an experience of a lifetime.

I really enjoyed watching the pupils train and perform and was amazed at how much was taught in the three days that you worked with the school.

I hope to have the pleasure of working with the Cirque de Normandy sometime in the future. Keep up the good work!

Regards,
