Cirque de Normandie

Dear Everyone,

Holly Trees Primary School Circus – 16th June 2007

What an impact a big red tent has! Thanks to you, the whole school is still buzzing with the experience of having Cirque de Normandie on the premises. Despite the weather and slow ticket sales, we were happy that the event brought together the local community, as was our main intention. Your visit has certainly put Holly Trees on the map!

We hope you enjoyed being with us, especially the atmosphere of a full house in the afternoon. We were very impressed with the professionalism of your pre-circus communication and also very pleased with the tidy state in which you left the site, with no evidence of your visit at all.

I am attaching a copy of a letter which was placed at the entrance, which you may or may not have seen upon leaving. This really made all the hard work worthwhile.

Thank you again. We will recommend you to everyone.

Kind regards,

Nicola Turnpenny
Chair of Circus Committee
