Dear Ed, Tolly and the team,

Although a couple of weeks have passed since you were with us, we are still living the dream which you left behind! The children have talked constantly of their experiences and more than one intend to join up when they finish school! The local paper has run two articles which I enclose for you to use in your publicity if you wish. From David's quotes, you can see how we all felt about the whole event. The parents were excited by the opportunities for the children and for fund raising and the staff, governors and Local Authority felt that this was very much the kind of event which fulfilled the needs and aspirations of today's children. Thank you for being such a pleasure to work with, we know that you will be invited back to the Island to other clusters of schools as well as ours in Cowes.

We wish you a very successful season and look forward to your next visit,

with best wishes,

*Thelma Howland*
