Dear Ed

I am writing on behalf of Littlehampton Community School to thank you and the Cirque de Normandy troupe for contributing to our recent whole school enterprise week in such a phenomenal way. It was wonderful to see the Big Top on our field and it lent great excitement and impact to our whole programme of activities for students and the wider community.

The sixty children who worked with you had a superb experience. You had a mixed group of youngsters which a range of skills and abilities. Working with you gave them all a chance to shine and to develop the enterprising characteristics that we are working towards as a school. For many in our audience, from the primary and infant pupils to the general public, it was their first time at the circus (or a live performance of any kind) and they absolutely loved it!

Personally I am grateful for your organisation, efficiency and professionalism in working with our premises team, our staff and helping me to make the week a success. I would, without hesitation, recommend you to another school.

I hope it goes well at Westergate School this week and that you pack the tent to the roof in Storrington. Please pass on my thanks to everyone.

Kind regards

Sara Hopkins
